This Changes Everything

Restored for More

John 21:1-25

God intervenes

Lives are redeemed

Purposes are revealed

Resource: Lead Like a Shepherd, Larry Osborne

Key Points:

- I. Jesus restores those of us who are running on empty**

- II. Jesus restores us despite our struggles**

- III. Jesus restores us for new callings**

Application

1. Will you slow down (make space for reflection) and turn to God in prayer or repentance this week so that He may restore you?

2. Will you seek restoration (forgiveness or expressing grace) for yourself or advocate for restoration in someone's else's life?

3. What might be a new calling God is asking you to move towards?
